The Heritage Funds Building an Endowment

Foulkeways is pleased to announce the establishment of The Heritage Funds, which are endowed funds to provide a source of revenue for Foulkeways at Gwynedd to meet ongoing expenses, cover capital expenditures, or fund special projects or programs.

Endowment funds are an opportunity for gifts to be given in perpetuity. It is important to note that endowment funds differ from reserve funds, where the principal and the interest may be expended by Foulkeways.

As our endowments grow, they provide an expanding source of stable funding to help us fulfill our Mission and assure continuing excellence of program and quality of life at Foulkeways.

How will The Heritage Funds help Foulkeways?

- In good economic times, the funds will enhance competitiveness and allow beneficial additions to programs.
- In more difficult times, the funds will sustain core program quality and preclude the need for larger resident fee increases.
